Aqualyte[®]

Hydration that works
harder and faster

**EFFECTIVE WORKPLACE
HYDRATION SOLUTION**

Aqualyte hydration is specifically formulated for industrial use.

Why use Aqualyte in the workplace?

- Evidence-based formulation
- Low sugar supports rapid absorption to maintain hydration and replenish electrolytes.
- Great taste encourages your team to drink more.

Key benefits:

- Prevent dehydration
- Reduce fatigue
- Maintain productivity
- Prevent heat stress

The range

Aqualyte comes in the 3 delicious natural flavours of Orange, Lemon Lime or Berry and comes in a variety of sachet sizes or tubs.

An evidence-based formulation for industrial workplaces.

maxisafe is the exclusive industrial distributor in Australia.
