UniMask Protective Face Shield Features

Easy and Quick Changing of the Visor

In case the visor has to be replaced or separately cleaned, it can be easily removed and attached back to the hood using two simple locking knobs.

Quickly Exchangeable Face Seal with Easy Maintenance

The face seal ensures secure and comfortable fit for the wearer. Thanks to a fast clickin system the face seal can be easily and quickly removed and attached back.

The face seals can be washed in a washing machine and even dried in the dryer.

Inner Airflow Regulation

Safety Helmet Compatible

The UniMASK can be used with a wide range of standard safety helmets to provide a handy solution of head protection combined with protection of the face and respiratory!
